

Oklahoma Dam Inventory

(Jurisdictional Dams by Ownership)

The OWRB coordinates the Oklahoma Dam Safety Program to ensure the safety of over 4,700 dams in the state. The Oklahoma Dam Inventory is a collection of state jurisdiction dams as well as federally owned and operated dams. For more information please visit the OWRB's web site at: (<https://www.owrb.ok.gov>) 7/6/2023
